

# Memorandum

To : ALL DEPUTIES  
ALL SECTION MANAGERS

Date : April 4, 1983

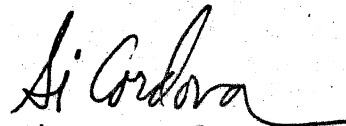

Subject: UIC Coordination

From : Department of Conservation—Division of Oil and Gas  
Sacramento

With the transfer of Ken Henderson to Santa Maria on May 2, 1983, the responsibility for UIC coordination will revert back to the Regulatory Specialist at headquarters, Bob Reid.

Bob will coordinate statewide activities required for compliance with the Class II Underground Injection Control Program of the Federal Safe Drinking Water Act. He will be responsible for gathering program data and preparing reports on UIC activities and aquifer-exemption applications for submittal to the EPA.

Any questions concerning the UIC Program should be directed to Bob.
